Your comments on the planning application

the recent approval for a rear extension at number 18 Fitzjohns avenue on the flimsiest of arguments has set a precedent for other extensions on this road . It would thus be extremely unfair to refuse this application . It intrudes into the green space only modestly so we may not worry unduly about the reduction of ground drainage opportunities and, although many may object to the clean modernist even minimalist lines of the project is this not preferable to the cheap vulgar historical imitations that so often are made in the cause of 'fitting in'.
