comments-

I wish to object to the above - altho my block is not included in the scheme we still have to look at it being on the same estate.

Looking at other blocks which have had this done- it looks absolutely terrible- as very quickly brown rust staining appears from outlets which require constant repainting, which Camden never bother to do.

we have a a nice estate and like it as it is- so why spend over £1m in ruining it against council tenants' wishes.
