Notes about the petition

Due to only being informed about this planning application on Thursday 3rd September, there was only a short window in which to collect signatures.

The signatures were collected by one person in a few hours on the afternoons of Saturday 5th September 2015 and Sunday 6th September 2015.

The petition has been signed by residents of the **Hilgrove Estate** – a mixture of tenants, leaseholders and people renting privately.

There are signatures from residents at the following blocks:

Farjeon House

Gillies House

Freeling House

Redfern House

Langhorne Court

Tayler Court

Sherlock Court

Leitch House

There are no signatures from residents at **Castleden House**. There was no answer at 9 households, 1 household did not speak English and 2 households said that no information had been received about the proposed works.

The following blocks are not included due to time constraints:

Jevons House

Nalton House

Dobson Close

The following information was gathered from carrying out the petition:

67 signatures with comments

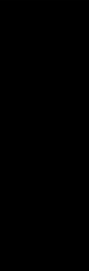

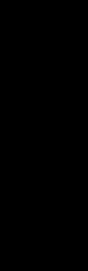

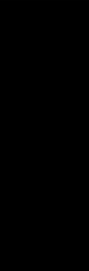

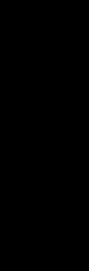

Of the 20 households who chose not to sign, 6 did not speak English, 3 were moving out, 8 had either not been given any information or did not feel they had enough information in order to make an informed decision either way, 2 did not have an opinion and 1 was in favour of cladding.

The application reference of 2015/4041/P was passed on to those who wanted to find out more about the plans.

The remaining households on the estate were either not available or not approached due to time constraints.
