Subject: Objection - For Camden to be redeveloped. reference number ref- 2015/4774/P

Hello,

I object for Camden to be redeveloped.

Camden is known for being one of the biggest tourist attractions in the UK. Redevelopment will destroy its character and its unique look on top of the income the tourist bring to the area.

I have enjoyed going to Camden area and the markets for many years. I love the character and vibrant atmosphere and do not want this to change with any redevelopment. The area and community of Camden will be ruined if the redevelopment goes ahead.

Please keep Camden as it is, so I can enjoy going there I the future.

I confirm, I object to any redevelopment of the area.

Regards,

Nicole van Praag
