Dear Rachel,

We are writing on behalf of the Camden Town CAAC.

We do not object to the proposed change of use. However, the existing and proposed drawings provided do not show any windows. If this is true, we strongly object to the scheme. If skylights are proposed we would find it acceptable - although we would prefer windows.

Yours sincerely,

Gordon Macqueen & Margaret Richardson, Co-Chairs of the Camden Town CAAC

31 Oval Road,
