Your comments on the planning application

I have been travelling to and from Camden lock for 6-7 years to have a look around the market and to go to concerts in the Camden (and surrounding areas). With Camden lock being closed, it'll be a huge waste and a lot of people lives will be changed for the worst. Camden lock is a lot of people's lives wether it be for work or for pleasure and to take that away from 1000s of people would be an extremely selfish act. I for one feel Camden lock she only ever be improved and not torn away from the community!
