Your comments on the planning application

I am objecting to the planning application for 24 Woodchurch for the following reasons

Loss of daylight, sunlight and privacy of neighbours (points 1 & 2)

I would like to formally make the following objections
1. I understand there is to be a wall which has no particular purpose other than to enclose a stairwell between properties 24 and 22. This wall will dramatically reduce the light to the pathway leading up to the front door of 22b ? I would like to

request this wall has the following amendments if possible

- a. Reduced by height of the wall in advance of 22b's front door
- b. Add lighting to the passage way which is approved by 22b Woodchurch. Installed and paid for by 24 Woodchurch and run and maintained by 22b Woodchurch

2. Should the amendments to the present plans make the building any higher, I would like to object ? the build will already reduce the amount of light entering the property at the back and at the side, and do not want any further light reduction.

I am in agreement in principal to the build and would welcome it being started but would like these amendments considered.
