23 August 2015

Dear Ms English

Planning applications 2015/4179/P and 2015/4157P. The above applications have been brought to my attention although I have not received any communication about them from your office. This is surprising as I received a letter of August 13 informing of a public local inquiry relating to an appeal over application 2012/8025/P concerning the same property.

I wish to object as I believe all the planning applications regarding this property should be dealt with at the same time and many of the objections that I made to the earlier application still apply. I support the detailed objection put forward by Oliver Froment of 10 Pilgrims Lane

Yours Sincerely

Michael Lewis

Re: Objections to Application 2015/4179/P, and related applications 2015/4157/P and 2015/4053/P

Apologies for the lateness of this objection because of the August holiday.

This application fails to address the shortcomings of the previous application (2012/5825/P), which was deemed by the DCC to pose potential damage to both neighbouring properties and the neighbourhood at large.

We do not see how these proposal could possibly be considered as permitted development and urge Camden to reject request for certificates of lawfulness.

Sincerely,

Janine Griffis
