Objection - I am a stall holder and have built up my business over the past 5 years in Camden Lock Market where there are over 900 traders and staff. What will happen to us is the big question?

We have been made aware of the plans and the fact we have no rights regarding the future for us. There should be something put in place to guarantee the safety of all permanent market traders.

Camden is known for being one of the biggest tourist attractions in the UK. Redevelopment will destroy its character and its unique look on top of the income the tourist bring to the area. I was based in Spitalfield prior to Camden and after the redevelopment, it destroyed its once 7 day a week bustling market to now it being empty of traders and customers during the week. Please take into consideration the business and job losses this redevelopment will cause, and the loss of such a unique market that tourist and locals love.

I formally object to the redevelopment plan for the above reasons
