Your comments on the planning application

Following the previous changes to this building a few years ago & having read your associated documents for these changes it is plain that on this occasion as with the last nobody has actually bothered to physically check on the effects of this on the surrounding properties at all. Not only was there the last time & will there be again this time a significant loss of light to my home & garden & not as you seem to think a negligible one there will also be an increase in the loss to our privacy with even more people to over look us. Our home is already below street level & it is totally unacceptable to add yet another floor to overlook &

overshadow us. Why should we have to keep electric lights on most of the day as well as the evening, as it is we already have to keep our kitchen lights on most days. If that isn't bad enough all the noise from there at the moment will only be increased by more units not to mention all the noise & dirt from the work it's self which I can tell you from experience the last time is considerable & not as you told us on that occasion nothing to bother about.
