Your comments on the planning application

I have been trading full time at Camden Lock Market for 3.5 years now, open 7 days a week. Whilst I support the concept of making the area nicer, my concern is that myself and over 200 other traders will lose our pitches and therefore income if the Lock market is to close for an indefinite period for renovations, as has happened on other areas of the site. No viable alternative options have been offered at this point.
