Dear Mr Gracie

Please find attached the email that I sent to the above email address on the 26 August 2015. I have not had any acknowledgment to this. I would like to inform you that I strongly object to the above planning application as it is directly affecting me and I will lose all my privacy. I am writing to ask you to register my objection so that I can see it on the website. Please keep me informed of any further developments.

Many thanks and best wishes,

Elahe Yazdi (Flat one, 15 Langland Gardens)

Dear Mr Gracie

RE: 11C and 13A Langland Gardens NW3 6QD

I am sorry that I didn't get the chance to write my comments re above application by 20 August. I was away from

27 July until 23 August and the internet was not working terribly well where I was. I came in to the town hall yesterday

morning to make my objections in person, but I was told to write this email instead.

I am writing to object to the above application because I will lose my privacy. I live at flat one, 15 Langland Gardens which is almost

directly underneath number 13 A's balcony on the garden side (at the back) and also the propose balcony at the garden side outside 13B.

I would be grateful if you considered my objection to this.

Yours sincerely,

Elahe Yazdi (Ms)
