2015/4436/P	Gary Thompson	17 Rona Road	11/09/2015 20:53:05	NOBJ	<p>Dear Camden Planning,</p> <p>I am the owner of the ground floor flat at number 17 Rona Road, the direct neighbour to the proposed development at 19 Rona Road. The house at number 19 is currently in a very bad way, falling apart in some places, so a high quality development will be very welcome. I understand that the basement will be added and I have no objections to this.</p> <p>Yours sincerely Gary Thompson</p>
2015/4436/P	Lisa Dittmar	17 Rona Road NW3 2HY NW3 2HY NW3 2HY	12/09/2015 11:45:53	OBJ	<p>I am glad that there are plans for fixing up this property, but I object to the plans for the outdoor deck. I live in the property next door and the structure planned for the deck and the "privacy wall" will block the light (for personal use and for the existing plants on the deck) and will block our view.</p> <p>I would also ask that works start after 9am on weekends.</p>
