2015/4553/P	Margaret Harvey	95 Camden Mews	13/09/2015 18:38:52	OBJ	<p>I am not opposed to the development of the site but I do wish to object to the plans as they pertain to Camden Mews where I live.</p> <ol style="list-style-type: none"><li>1) I feel 5 town houses is an over-development issue.</li><li>2) I object to these houses having basements</li><li>3) I am concerned that the residents of these new houses will look out directly to the Sheltered Housing opposite on the Mews</li><li>4) I am very concerned about how the spoilage will be removed and whether the developers intend to run spoilage down the Mews and how building materials will be delivered</li><li>5)The Mews cannot be blocked as it is a busy right of way for residents, rubbish and re-cycling collections and for emergency vehicles</li><li>6) Parking is at a premium. If the new residents get parking permits there will be very little available parking as residents in Camden Road already park in the Mews.</li></ol>
