Your comments on the planning application

we are freeholders of 110 Fordwych Rd and also own flat 1. The proposed extended dining room would be adequately lit by one west facing window and the north facing windows/patio doors are unnecessary and would also avoid overlooking nos. 110 and 112.

The proposed depth should align with any other sightlines and I believe a 3 metre depth might achieve this.

Any consent should be conditional on matching brickwork which I know are available.

Lastly the proposal as submitted will almost certainly open the gates to further extensions.
