Camden Planning Application Consultation
London Borough of Camden
Town Hall, Judd Street

Dear Sir/Madam

RE: Camden Lock site – Chalk Farm Road, NW1 8NH.
Application Ref: 2015/4774/P Associated Ref: 2015/4812/L

Concerning the above application I wish to make the following comments:

- (1) This building faces the canal and I would like to point out that sound needs to be kept under control. Sound from late night music needs to be set down so that Residential properties are not disturbed – after midnight would not be acceptable.
- (2) As the Chalk Farm Camden Lock Market Site expands-more people will need to use the Camden Town Station. The Station currently closes at weekends for people going downwards for most of the day....the large crowds congregate outside (they do not seem to be aware of Mornington Crescent and Chalk Farm Stations) AND the hundreds of people the staircase at Camden Town is surely a Health and Safety risk.

whose

Yours faithfully

ANNE SILVERMAN
