2015/4481/P	Michelle Payne	11 Fairfax Place London NW64EJ	14/09/2015 15:47:39	OBJ	I am concerned about the effect on my garden wall which is directly behind the proposed excavation. The wall has been in place for some time and runs along the back of several homes so this must be very carefully reviewed. I am also concerned that if the wall is removed it will be left open for a significant period which will mean I cannot use my garden. I would hence need very specific details of this.
