#### Informative(s):

- 1 Reasons for granting permission.

The size, scale and bulk of the proposed single storey rear extension is considered to form a subordinate addition to the host building that respects the character and setting of the neighbouring properties. Although the extension would project beyond the immediate building line of the property such an extension in this location is not considered harmful as the proposed development would be similar in size and proportion to the existing extension to the adjoining dwelling at No.31 Agincourt Road, which was granted permission in 2007 (ref: 2007/2865/P). Furthermore, the proposals limited visibility would ensure no significant impact to the character of the host dwelling or the appearance of the surrounding Mansfield Conservation Area would occur as a result of its development.

The proposed extension would be built to the same height and depth as the neighbouring development to the west and would occupy approximately 4m of the shared boundary to the east and is considered to not significantly harm the amenity of any adjoining occupiers in terms of loss of light, outlook, or privacy.

No objections and one letter of support were received following statutory consultation. The sites planning history and relevant appeal decisions were taken into account when coming to this decision. Special regard has been attached to the desirability of preserving or enhancing the conservation area, under s.72 (CA's) of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2015, consolidated with alterations since 2011; and paragraphs 14, 17, 56 -66 and 126-141 of the National Planning Policy Framework.
