Dear Mr Whittingham,

3-6 LONG YARD, LONDON WC1N 3LU

On behalf of our client, The Governing Body of Rugby School, please find enclosed an application for a non-material amendment to application ref. 2014/0439/P which was granted on 10th December 2014 for:

'Demolition of 6 Long Yard and redevelopment with 1 x 3 bedroom mews house (Class C3), with roof and rear elevational alterations to 3-5 Long Yard (Class B1)'

Please find a copy of the original planning permission in **Appendix 1**.

This application seeks the addition of Drawing Ref. 14-109_721 Rev C – Planning Amendments- Roof plan & Front elevation to planning permission 2014/0439/P to allow for the inclusion of the following design changes:

- Additional section of flat roof to access and maintain ductwork. Flat roof accessed from 2nd floor common core
- 4no. circular roof lights replaced with 1no. long linear roof light to flat roof section
- 2no roof access hatches for maintenance and clearing of gutters
- 1no. long linear roof light replaced with 2no. smaller linear roof lights

Drawings as approved by permission ref. 2014/0439/P are included in this application for reference to the approved plans.

The additional design features would greatly improve the access to the roof for maintenance and cleaning. They would cause no material alteration to the design or character of the development, and would not be visible from street level. Therefore these amendments are considered to be non-material.

- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. - 3 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying

the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

- 4 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 5 You are reminded of the need to provide adequate space for internal and external storage for waste and recyclables. For further information contact Council's Environment Services (Waste) on 020 7974 6914/5 or see the website <http://www.camden.gov.uk/ccm/content/environment/waste-and-recycling/twocolumn/new-recycling-rubbish-and-reuse-guide.en>.

If any such use is intended, then a new planning application will be required which may not be approved.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
