Dear Sir/Madam

**Re: 130 Greencroft Gardens, application ref. no. 2015/4519/P -
Date of notice: 4/9/15**

Further to the above application I would like to make the following comments:

1. The metal gate which the application refers to was erected at least one month ago – therefore without consultation or application to the council.
2. The high metal gate is of a “spiky” nature which, somehow, tends to affect the rather friendly character of the Greencroft neighbourhood.
3. If 134 is a private driveway, does this mean that London Mews may all become gated in order to prevent public access.

Yours sincerely

Annette Hales-Tiberghien
