

Sir, Madam,

Re: 2015/5113/T – 22 Lymington Road – Tree Felling Proposal

I would like to raise my concerns about the felling of trees within the West Hampstead Conservation Area: Generally in view of what is being proposed in the greater West Hampstead area (such as 156 West End Lane) and specifically within the areas around our property – 24b Lymington Road.

I would have thought it critical that no trees are felled within this conservation area – unless representing a danger to residents and/or property?

I do not understand the felling of perfectly healthy trees which add so much to the area in both aesthetics and the attraction of wildlife, in such a densely populated urban area.

Additionally, whilst we are not affected in any way in terms of view, I would have thought that the maintenance of any existing trees etc. are critical for residents at levels 1 and above (we are basement) to assist screening of the huge development(s) planned. Presumably this is being taken into account?

Please confirm receipt of this email and when we should expect a response.

Many thanks.

Regards, Nick Jones
