Dear Mr Thuaire,

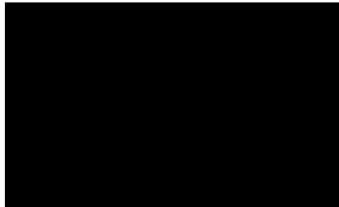

Re: 47 Talacre Road, NW5 3PJ.

Please find attached a formal Planning application for a variation in a condition attached to the original Planning approval. I believe you were involved in the recent Planning approval and were involved in discussions at the time with Paul Kanner.

Angela Ryan has dealt with the matter on site recently and has had various discussions with Paul.

I trust that the provisions proposed in this application will be acceptable to yourselves but please contact me if you have any queries.

Yours sincerely,

V.J.M^cAndrew.
