In addition to the above and to its poor condition, you may wish to consider replacing the existing Distribution Board Serving the Proposed Ground Floor Shop Unit.

Though difficult to accurately determine in advance, we do not anticipate the works as described exceeding 2-3 days to complete.

Once complete the aforementioned works will be covered by a 12 month manufacturers guarantee in respect of the equipment installed and a **10 year guarantee** in respect of the quality of the workmanship. This is in addition to the additional protection afforded by our membership of the **ECA**.

Client references for works recently completed of a similar nature can, if required be produced upon request.

For acceptance of the above, please sign in the space provided and return by fax, or alternatively, return the enclosed copy by post. If you have not already done so, you will also need to attach a copy of your letterhead detailing your company registration number and full trading title.

Dependent on the total contract sum, a deposit of 50% is payable prior to commencement of works.

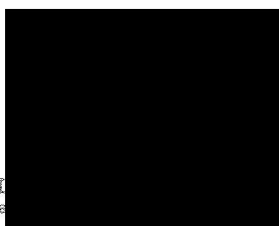

Please note that acceptance of the above in whole or in part also confirms your acceptance of our standard terms and conditions. A copy of this is attached.

Should you wish only to accept part of the above please delete those sections which you do not require and return as previously stated.

Additional clarification on any of the points raised above can be obtained by contacting the writer on **020 7405 9292**.
