Your comments on the planning application

I live in flat A, 124 Grafton Road (which is a top floor flat).

In principle, I support the redevelopment of the 128 - 130 Grafton Rad site from the current scaffolding warehouse to a residential block.

However, based on the current plans, the new building will be (at least) one story taller than my building (116 - 124 Grafton Road). I have the following CONCERNS:

1. Loss of privacy - if any of the new building windows or

Planning Application Details

terrace overlooks the terrace to the front of my flat. The proposed building is almost directly adjacent to my block.

2. Loss of light - by virtue of the new building overshadowing my terrace.

3. Loss of value - if the new building blocks the view that my flat currently enjoys of Hampstead Heath.

Accordingly, I would request that the new building is no taller than the neighbouring block (being 126 Grafton Road).

Regards,

Adam
