# The cutting edge of Q-innovation?

## Easy Glass® glass adapter 0760.

If you want to make installation trouble-free, choose our smart Easy Glass® glass adapter 0760 with only one fixing point! This design of glass adapter combines a minimalistic design with maximum ease of installation.

Alignment is simplicity itself thanks to the new versatile adjustability and the integrated Q-bubble spirit level. This means you can fit it from any angle, even hanging upside down. The 0760 is suitable for glass thicknesses between 12.76 and 25.52 mm and is the ultimate answer when it comes to affordable installation of glass balustrades!
