Development Management Regeneration and Planning London Borough of Camden Judd Street London WC1H 8ND

Application for consent to display an advertisement(s)

Town and Country Planning (Control of Advertisements) (England) Regulations 2007

You can complete and submit this form electronically via the Planning Portal by visiting www.planningportal.gov.uk/apply

Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Please complete using block capitals and black ink.

It is important that you read the accompanying guidance notes as incorrect completion will delay the processing of your application.

12. Planning Application Requirements - Checklist			
Please read the following checklist to make sure you have sent all the information in support of your proposal. Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the Local Planning Authority has been submitted.			
The original and 3 copies of a completed and dated application form:	lacksquare		
Drawings The drawing of the proposed advertisement should show its dimensions and position on the land or bullding in question. For a sign, the drawing should indicate the materials to be used, fixings, colours, height above the ground and, where it would project from a building, the extent of the projection. A site location plan should also be provided which identifies the proposed position of the advertisement and location of the site by reference to at least two named roads. It should be drawn to an identified scale and show the direction of North. Ordnance Survey maps are not required. Photographs and photomontages may be used. The original and 3 copies of each drawing should be provided:			
Description of signs, size and illumination The type of each sign for which application is being made, e.g. fascia, projecting box, pole-mounted free-standing, should be shown, together with the dimensions of each sign. If any of the signs are to be illuminated please describe the type of illumination, e.g. internal, external, floodlight, etc, and whether the illumination will be static, flashing, or have moving parts. The original and 3 copies of each description should be provided:			
The original and 3 copies of a plan which identifies the land to which application relates drawn to an identified scale and showing the direc			
The original and 3 copies of other plans and drawings or information	necessary to describe the subject of the application:		
The correct fee:
