Dear Laura,

Many thanks for the clarification. We have no other objections

Dear Dr Slater,

Thank you for your comments regarding the above application.

I note your objection primarily relates to the use of glazing for the balustrades at first floor and roof level. However, the proposal was amended prior to registration to omit this feature and include black metal railings instead.

In addition, the applicant will be removing the first floor rear terrace, so that the railings will only be at roof level.

I would therefore be grateful if you could confirm whether you still wish to object to this application.

Kind Regards,
