2015/4514/P	Tim Crowe	57 Lancaster Grove London NW3 4HD	30/09/2015 14:10:03	COMMNT	<p>This is an objection.</p> <p>No.17 Lambolle Road is a well-preserved late Victorian Gothic style property, one in a series of three along the southern side of Lambolle Road.</p> <p>A defining characteristic of this architectural style is the ornate design and crafted roof structures which remain intact and as original in these three properties.</p> <p>The proposed roof space extension at No.17 Lambolle Road would build out into and deform the existing roof line and thus destroy the integrity of its original architectural design.</p> <p>In a Conservation Area such distinctive and well-preserved domestic examples of buildings of this period should be a valued and protected heritage.</p>
