2015/5316/P	Thomas Brezina	Flat 10 4-10 Tower Street WC2H 9NP London	03/10/2015 13:17:30	OBJ	Additional 2 new air conditioning units will add more noise. The air conditioning on the roof top of the Ivy in West Street is already very noisy . Therefor I would appreciate if there would be no new units in Tower Street and the replacement of the existing air conditioning to be extremely low in noise
