Dear Sirs

**SENATE HOUSE (NORTH BLOCK), MALET STREET, LONDON WC1E 7HU**

**SUBMISSION OF DETAILS PURSUANT TO CONDITION 5h OF LISTED BUILDING  
CONSENT REF: 2013/4478/L**

We write with regard to condition 5h of the above Listed Building Consent which requires detailed drawings of any new suspended ceilings at a scale of 1:10 demonstrating their relationship with the surrounding historic fabric.

The submission is made via the Planning Portal and comprises the following information:-

- i. Complete application form; &
- ii. Planning drawings prepared by Mace.

As this submission relates to a condition on a Listed Building Consent, there is no application fee payable.

Details under condition 5h were approved by the Council in July (Ref: 2015/2915/L). This submission reflects some minor revisions that have been discussed and agreed with Hannah Walker and are a result of the inability to be able to reuse the existing pre-installed cabling which has been discovered to be non-compliant with current design standards. A similar issue has resulted in a bulkhead added between room 3.01 & 3.02 as the locations to secure the movable wall into the structure have not proved to be as anticipated in the previously approved plan.

Should you have any queries or require any further information, please do not hesitate to contact Luke Emmerton of this office.

Yours faithfully

A handwritten signature in black ink, appearing to be 'DP9'.
