APPEARANCE

We are proposing to unify the whole exterior by painting the existing timber shopfront using black exterior woodwork paint in eggshell.

We are also proposing to replace the green canvas and valance with the black colour canvas and the same size valance. Retractable canvas mechanism and

chains are to be refurbished and reused.

Signage: Existing green powder coated aluminium box with pin mounted gold letters externally illuminated using 5 chrome projecting lights (see image on page 1) is to be replaced using black gloss tiled fascia board with gold pin mounted company logo illuminated using 3 black projecting lights.
