- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

Informative(s):

1 Reason for granting

The proposed temporary advertisement is considered appropriate in terms of size, design and location. The proposal will not impact on neighbours' amenity nor would it be harmful to either pedestrian or vehicular safety.

The Council is unlikely to grant consent for such an advertisement on a permanent basis as this would harm the appearance of the building and streetscene. However, during construction the advertisement would shield unsightly construction works in accordance with guidance in CPG1 - Design

The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5, CS14 and CS17 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of

Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.6 of the London Plan 2011; and paragraphs 14 17, 56 -67 of the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
