Dear Mr Young,

I would like to bring something to your attention – the covering letter of the planning application states:

"The ground floor is occupied by the Santander Bank. The upper two floors are set back from the ground floor and are vacant offices with a separate access from Kentish Town Road, known as no. 233A Kentish Town Road. The first floor office has an access to an external terrace area."

I wanted to clarify that we have been tenants of the property since December 2011 and the offices are not vacant and are not likely to be until the end of our Lease (December 2016).

Kind Regards,
Matt
