- 4 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

- 5 The London Borough of Camden introduced the Community Infrastructure Levy (CIL) on the 1st of April 2015 to help pay for local infrastructure. This is in addition to the Mayoral CIL which helps fund the Crossrail introduced on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay the CIL charge.

The proposed CIL charge will be calculated in accordance with the regulations set out in Part 5 of the Community Infrastructure Levy Regulations 2010 (as amended). For further information on the Camden CIL or Mayoral CIL charge please refer to the information on the Camden website which may be accessed via the following link: http://www.camden.gov.uk/ccm/cms-service/stream/asset/?asset_id=3298006

You are required to assume liability and notify the CIL team on commencement using the forms that can be downloaded from the planning portal; <http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will issue an assumption of liability setting out the calculation and CIL demand notice setting out the method of payment accordingly. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or queries to CIL@Camden.gov.uk

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Yours faithfully
