

ROUNDHOUSE

15 September 2015

To whom it may concern

I am writing in support of London & Regional's proposals for the Marine Ices site on Chalk Farm Road just opposite the Roundhouse.

I believe their plans will benefit the area as a dynamic cultural centre, whilst also being a place for people to live and work.

We very much appreciate London & Regional's recognition of the Roundhouse as a key local stakeholder, as well as their early engagement and open, collaborative approach to consultation.

With best wishes

Yours faithfully

Marcus Davey OBE  
Chief Executive and Artistic Director
