Dear Sirs

45 New Oxford Street, London WC1A 1BH

We act as agent to Fred Hill Properties Ltd, the owner of the above-mentioned property, which is intending to commence refurbishment works; the building has become unsightly and is in need of extensive repair works which are long overdue.

Due to the current economic climate, we have looked at various ways of raising funding. We are very much hoping to arrange commercial sponsorship to meet the costs of the building works, and have entered into an agreement with King Media, which has extensive experience in arranging the sponsored refurbishment and restoration of buildings across the UK.

We would very much like to commence these works as soon as possible and it is our sincere hope that the Council will support King Media's application for planning permission.

Yours faithfully
