Subject: FW: UJIA Security Doors

Dear Patrick

You are currently dealing with a small security 'airlock' building proposal from UJIA for 1 Torriano Mews NW5 2RZ.

The architects originally handling this are Orbit Architects and you have been dealing with Fidel Saenz in this regard (Fidel is copied into this email).

We have now appointed a fit out company called Bluu. We are informed that there are design issues that need to be changed from our original plan to Camden Council we would like to request that Bluu handle all of our design and planning work going forward. Their details are

Bluu
Third Floor
50 Eastcastle Street
London W1W 8EA

Your contact from Bluu would be Paul Richardson and he is copied into this email.

Please let me know if you need further info on this.

Kind regards
Cyndy
