Your comments on the planning application

I have lived in Kilburn most of my life and have three children who have used it and three grandchildren who use it regularly. The Park has changed so much over the years and my children have enjoyed the festivals and different events throughout that time .I think the idea of a new block of flats will basically be an eyesore and take away the look of the Park, not to mention the disruption that comes with it .Kilburn high road traffic is bad enough on a normal day with traffic build up without adding anything else to disrupt it Therefore I strongly object to this application.
