Please note that because this is a householder application, in the event of an appeal against a refusal of planning permission which is to be dealt with by written representations, any comments made about the application will be sent to the Secretary of State but you will not have a further opportunity to comment at the appeal stage.

The Council welcomes comments from tenants and owners. If you are not the owner of the property you occupy, can you please also inform the owner about this letter?

I look forward to hearing your views on this proposal.

Dear Tendai Mutasa

My answer is To object.

The last time This house-owner Did basement work, they used extremely inconsiderate builders. Mud for Months, Stuff left in our Rubbish Dumped early in the Morning

They went far beyond the planned application and destroyed a beautiful garden, peoples objections were ignored what should have been protected Trees were removed.

They destroyed a Land Mark That should have been preserved.

Theres a River That could be disturbed /interfere with Running water That May effect our Trees our drains. our block of flats. The answer is NO To yet another basement
