The location, size, and extent of ecological features have been plotted by eye. Ecological features have been highlighted for illustrative purposes, and are not shown to scale. These plans should not be used to measure the precise location, size, or extent of ecological features.

Notes

- Contractors must check all dimensions on site
- Any discrepancies must be reported to the Consultant before proceeding
- It is the responsibility of the contractor to ensure necessary consents for tree works are in place
- This drawing is copyright © DF Clark Ltd

The original of this drawing was produced in colour - a monochrome copy should not be relied upon.

This plan is not based on topographical survey, therefore tree position should be checked on site.
