Dear Mr. Tullett,

I have just received information on the building proposal for 13 Kempsey Road. I am shocked and horrified! Kempsey Road has been my home for 39 years, and this proposal, if allowed, would totally ruin the cohesive architectural mix of our street, forever shaking out like a very sore thumb. This is an outrageously selfish proposal motivated, I should think, by pure greed. I hope I can rely on Camden to quash this or any similar proposal, as it totally flies in the face of neighbourliness and social cohesion.

Sincerely yours,

(Ms. Erica Bloch)
