2015/4519/P	mr	136 greencroft gardens	20/10/2015 14:15:08	COMMNT	<p>As long as this type of high spiky iron gates don't become the new standards of south Hampstead, we are fine with this specific application.</p> <p>However the only thing we would request for this development is that this new gate is not lockable so that we can still have access to this side of our property for regular maintenance. This driveway is not owned by any of the 3 cottages, therefore any current/future owners there shouldn't have the right to block or grant access this way.</p>
