2015/4881/P	Rupert Horrocks	44 Platt's Lane	14/10/2015 16:41:06	COMMNT	Support the proposal to replace the existing boundary wall which is in a poor condition. No objections to the new driveway as almost all houses on this stretch of Platt's Lane have driveways or garages of some sort. The proposal should also help to reduce existing parking congestion on Rosecroft Avenue.
