2015/4933/P	Tim May	14 Murray Mews London NW1 9RJ	15/10/2015 17:45:56	COMNOT	<p>I have no objection in principle to the proposed roof extension going ahead, subject to the following concerns being met and fully satisfied.</p> <ol style="list-style-type: none"><li>1. I require more detailed information concerning the proposed details, materials and building methods.</li><li>2. If scaffolding is required, be aware that Murray Mews is narrow. Hence it would be best if access could be provided from the adjacent site currently used as an allotment. In any event, I have concerns about the security of my property during the works.</li></ol> <p>Tim May</p>
