

4 FROGNAL CLOSE LONDON NW3 6YB

View of typical detail to first floor elevation, showing slightly projecting brick panel, incorporating first floor window openings. .

Note - This detail is part of the original design for this and all the other properties around the cul-de-sac. This detail is applied to all the first floor elevations incorporating windows. Two inch high buff facing brickwork is also a typical feature to this and all surrounding properties around the cul-de-sac.
