The Society examines all Planning Applications relating to Hampstead, and assesses them for their impact on conservation and on the local environment.

To London Borough of Camden, Development Control Team

Planning Ref: 2015/5142/P

Address: 19 Greenaway Gardens, NW3

Description: Window replacements.

Case Officer: Jagdish Alchaja

Date 1 October 2014

This application ought not to have been validated in its present form.

The Design/Access Statement relates partly to this property but also to a “terraced house in Park Road”; it is not clear what is relevant, what is not. Poor editing.

The house is a locally listed building, of distinction, and an application for the replacement of windows must be accompanied by detail drawings of the windows, which perhaps may be double-glazed and of inappropriate section.

Please do not assess this application until it is properly completed.

Otherwise, please refuse.
