I also believe there will be a significant increase in noise due to the nature of the business
2015/5540/P	pearse molloy	88a Camden road basement london NW1 9EA	23/10/2015 14:00:29	OBJ	I strongly object to the proposed erection of a single storey rear extension. It will block out light to the communal garden and also to my basement property. I also have concerns about the increased levels of noise and loss of privacy
2015/5540/P	Pearse Molloy	90A camden road basement London NW1 9EQ	23/10/2015 13:55:56	OBJ	Dear Mr Marfleet, thank you for your letter regarding the planning application for the above. I object strongly to the single storey rear extension. It will block light for the communal garden and it will also affect the light entering the back of my property. The fact it is a restaurant, I fear of the noise that will generated. I also fear for the loss of privacy to the rear gardens.
