| 2015/5539/P | Jacqueline Li | Flat 1st Floor 161 Drummond Street LONDON NW1 2PB | 27/10/2015 21:03:47 | COMMNT | My flatmates and I are concerned about the noise that might be caused by the building works as the property is immediately next door to where we are living. I am happy for the works to go ahead as long as they do not affect us so we are not disturbed. |
