

1 NORTH-WEST PARTIAL ELEVATION
Scale: 1:50
CAD REF.

2 SOUTH-EAST PARTIAL ELEVATION
Scale: 1:50
CAD REF.

- No. Notes
- Dimensions to be verified on site. Only figured dimensions to be used and any discrepancies in dimensions are to be reported to the architect. No dimensions are to be scaled from printed drawings. Any areas indicated on this drawing are for guidance only. No responsibility is taken for their accuracy.
 - There is a risk of injury or death in construction if the works are not properly planned and supervised. The contractor must not undertake any element of the work without first having carried out the necessary risk assessments and prepared detailed method statements.
- Graduated wales slate roof with lead flashing to parapet
 - Sand cement render walls painted to match existing adjacent and to achieve 0.14 W/m²K
 - Lead clad insulated timber roof to achieve 0.14 W/m²K
 - Lift overrun
 - PV array to achieve 35Kwp
 - Metal rainwater goods painted black
 - Hardwood timber door with glazed side lights to achieve 1.2 W/m²K
 - Painted metal acoustic louvers to achieve
 - York stone open jointed pavers of suitable bed to permit free drainage
 - For planting see Planting Schedule
 - Metal framed glazed rooflights to achieve 1.2 W/m²K
 - Obscured fill and lum sidelights with bronze finish to hardwood frame to achieve 1.2 W/m²K
 - Garden wall repainted, repaired or replaced as necessary to match existing
 - Existing tree retained
 - Level access to dwelling to Lifetime Homes standards
