I know the feeling! The revised plans seem to be fine now but I will let you know if I need any more information from you.

The government are now monitoring council performance when dealing with minor applications, any that exceed the statutory 8 weeks need an extension of time adding to them.

As this application has exceeded the statutory determination period please could you confirm that you agree to extend the period for deciding your application.

Thanks,

Dear Patrick Marfleet,

My apologies, but could you please substitute the revised proposed elevation drawing, 15 139 PA22 (B), showing a reduced size fascia sign, the previous amendment sent did not show the fascia sign in the correct location.

Regards,

Jane Faulkner

Subject: 2015/4451/P - 156 Tottenham Court Road

Dear Mrs Faulkner

At present the lettering of the proposed fascia sign is considered to be too big when compared with the signs of neighbouring properties along this side of Tottenham Court Road.

For the scheme to be considered acceptable the new lettering/symbol would need to be reduced to a size similar to the neighbouring signage at 155 and 158.

Once amended please email the revised plans to me and I will add them to the application.

Kind regards,

Patrick Marfleet
